ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

Course Objective:

The objective of this course is to update DDA Careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

1. Please indicate on the scale below the degree to which the course met its objective:

2. What part of the course did you find the most useful? *The session on the Agency's Communications was very informative and well presented. This session helped an individual realize that the Office of Commo is a very important part of the Agency.*

3. What part of the course did you find the least useful?

*The session regarding DDA Support to Overseas Operations was not as informative as the rest of the Sessions. This one session I felt was more relating "war stories" as it was in relaying information.*

4. Please describe how the course benefited you.

*The entire course was both interesting and informative. This class helped in quite a few questions I had in regards to the DDA and its functions.*

5. What suggestions do you have for improving this course?

*Make the course cover an entire week thereby giving more time for the guest speakers and questions. The guest speakers seemed rushed at times due to the time limitation. Other than the above mentioned this course is excellent.*
